WELCOME LETTER

Dear Colleagues,

On behalf of the organizing committee of the 9th annual Saudi Society of Rheumatology Conference (9th SSRCON2023), it's give me a great pleasure to welcome you all to the SSRCON2023 in Riyadh at Fairmont Hotel.

The Saudi Society for Rheumatology is glad to announce the launch the 9th SSRCON 2023 under the theme of "Addressing Revolution and challenges in Rheumatology", which will be held over 4 days (15 - 18 February 2023).

The conference will feature podium presentations, symposia, oral and posters addressing research, issues and trends in Rheumatology field, and there will be more than 12 life workshops.

This year we are celebrating the research of different rheumatology specialities, and there will be a special Abstract session for the Young investigators, with valuable prizes for the first 3 oral Adult and Pediatric Rheumatology abstracts .

Be part of the premier event in Rheumatology by submitting your abstracts and case pres

Dr. Hanan Mohammed Al Rayes

President of Saudi Society of Rheumatology

Chairperson of the 9th SSRCON2023 Organizing committee

Dear Colleagues,

The 9th Annual Conference of The Saudi Society for Rheumatology is fast approaching and we're excited to welcome you to Riyadh, February 15-18, 2023 at the Fairmont Hotel. The conference will be held during the Riyadh Season 2022 and will allow you to enjoy the international entertainment festival at its best in an atmosphere beyond imagination.

The 9th SSRCON2023 conference "Addressing Revolution and challenges in Rheumatology", will be an excellent opportunity for delegates to exchange scientific and clinical information with local and international colleagues. The conference dedicated to adult and pediatric rheumatology will also include parallel sessions for family medicine, health professionals, nurses, rheumatology fellows and medical residents.

The education provided at this conference will help all target audiences to keep pace with the changing healthcare environment while improving the care they provide to their patients.

The conference will offer delegates the opportunity to network with both colleagues, trade partners and exhibitors. It is the ideal time to rekindle past friendships and create new relationships for the future.

We very much look forward to seeing you in February 15-18, 2023 at the Fairmont Riyadh. We wish you all a wonderful stay in Saudi Arabia.

ABOUT THE CONFERENCE

After the immense success of its previous editions, the Saudi Society for Rheumatology is glad to announce the launch of the **9th Annual Conference of The Saudi Society of Rheumatology (SSRCON 2023)** which will be held from **February 15th to 18th 2023 at the Fairmont Riyadh Hotel.**

Learn from invited speakers with large Projections both from the clinical and research point of view to cover all the discussion tables that are part of the program and expand your knowledge whilst experiencing Four days of cutting-edge research, unrivalled networking, posters, symposia, awards, and exhibitions.

The theme of our conference is « Addressing Revolution and challenges in Rheumatology » as we continue to celebrate the research of different rheumatology specialities and we expect this program to be filled with information that is most relevant to our speciality at present and in the future. The conference will also tackle a wide array of main topics within the Rheumatology field namely Rheumatoid Arthritis, Systemic lupus erythematosus, Spondyloarthritis, Vasculitis, Crystal induced arthritis, Scleroderma and Antiphospholipid syndrome.

This conference is an opportunity to catch up on new developments in this complex area of medicine as we explore the latest advances in the treatment and management of rheumatic diseases. Leading experts will also present clinically relevant information that you will find immediately useful in the care of your patients.
